

## ST. VARTAN CAMP ANTHEM

Lyrics by: Sylva der Stepanian

Translated by: Rev. Fr. Untzag Nalbandian

- I. Brave Vartan Mamigonian  
The great hero of Armenian history  
Who defended our ancestors,  
Holy faith and lands.

Chorus: Come, let us attend St. Vartan Camp  
The camp that belongs to our nation  
And let us grow in Vartan's spirit  
And become knowledgeable Armenians

Come to the Ararat Center  
Let us keep the Armenian spirit alive

- II. Brave Vartan with firm faith  
Always kept alive with unlimited love  
Our national and spiritual  
Precious and glorious values
