

Pop-Up Greeting Card

- *Fold a colored construction paper in half.
- *Cut two one inch slits into the paper.
- *Fold the cut flap to make a crease, then fold it back to the center. You should have a rectangular folded paper that pops out inside the card.
- *Copy the picture of Etchmiadzin, color it, and glue it onto the pop-up fold of the card.
- *You can fold another construction paper in half and glue it to the outside
